

2023-2024 CANDLEBROOK ELEMENTARY SCHOOL PTC

Welcome to the new school year! The Parent Teacher Club (PTC) invites you to join us in what promises to be a year filled with learning, growth and new experiences for our children. The purpose of the PTC is to foster a nurturing and caring environment for our children. We also promote a school community where teachers and administrators can do their best work with the resources we can provide and help make school fun. Through donations and fundraising efforts, the PTC is able to donate funds to purchase educational materials and equipment for the school, as well as being involved in efforts to help the local community.

For the PTC to be effective and truly representative of the school, it is essential to have parental involvement from as many parents as possible. Candlebrook Elementary PTC always appreciates the parent volunteers, as does our teachers and staff. There are many ways to become involved in the PTC from chairing a committee or event to simply sharing ideas. No contribution is too small! Keep in mind that by volunteering, you will get to enjoy interacting with the kids, become friends with other parents and accomplish things that truly make a difference.

Have an hour? Consider attending a PTC meeting on the second Tuesday of each month. Our meetings are a great way to hear about the upcoming events from the board members, our principal Mr. McCartney and the teacher representative.

We look forward to working with each one of you to make this a GREAT school year!
