### UMPR Jr. Vikings Travel Basketball Tryouts

The first 30 minutes of each group's tryout will consist of uniform try on as well as turning in the necessary paperwork. At the time of the tryout it is REQUIRED that you bring a copy of the child's birth certificate as well as the ICBA Medical Form which will be provided to you. There will then be a 1 hour tryout. After both tryout dates are complete you can expect to hear from the UMPR staff within the next few weeks regarding the results of the tryouts.

### Hands on Science - Electricity 101

'Professor' Bob is putting a CHARGE into science class. Come explore the world of electricity, and learn how electricity works, and how it makes other things work. 4 weeks - 4 different aspects of electricity. Build a circuit, create a charge, hear the snap-crackle-and-pop, this will be hair raising fun for all! Parents will get a 'charge' out of how much our future electrical engineers will learn. This is a Boy AND Girl course, with take-home projects.
