

UPPER MERION AREA HIGH SCHOOL SENIOR PARKING 2019-2019 SCHOOL YEAR

The privilege of parking on school property by senior students of Upper Merion Area High School is limited due to the number of available parking spaces. The following rules have been adopted to provide seniors parking on a fair and reasonable basis.

All students in the class of 2020 wanting an opportunity to park in the designated senior parking area must complete and turn in a parking application form with a copy of their vehicle registration and driver's license and the \$5.00 parking permit fee. Completed applications will be accepted at the High School Main Office on the following summer dates:

July 15th – 8:00 am to 10:00 am

August 7th – 8:00 am to 10:00 am

Permits will only be issued to students who submit all the necessary documents and fee. Additional permits will be issued once school begins through the Main Office.

IMPORTANT: We have 65 spaces available for students in the designated senior parking area. Parking permits have been reduced to only \$5.00. The permit allows senior the opportunity to park in the designated senior parking lot but will not guarantee seniors a parking spot. We will be selling more than 65 permits and parking spaces will be allocated to seniors on a daily first come-first serve basis. Once all 65 spots are full, students will need to park in the other parking areas on campus (Candlebrook overflow lot, curb by the Administration building, Along Crossfield Rd, or in the parking lot next to the football field). These other areas do not require a parking permit.

QUALIFICATIONS FOR PERMIT

1. Must be a12th grade student in the 2019-2020 school year.
2. Possess a current valid driver's license at time of application. Driver's permit is not sufficient.
3. Student must own a car or have the regular use of a parent's car.
