

## ***Caley Elementary Virtual School Supply List for 2020-2021***

Thank you in advance for your support in providing these school supplies for your child. This supply list represents the essential *common* supplies that students will need in each grade. Individual teachers may request additional items specific to their class in the fall. Once students have been assigned to a homeroom teacher, we encourage you to check the teacher's website for their supply list.

During the course of the school year some items will need to be replenished and additional materials may be needed to accommodate special learning experiences. The homeroom teacher will share these supply needs with you throughout the school year.

Grades 1-4 have requested that students come with a **supply box** that is approximately 8.5" x 5.5" x 2.5" and has a latching lid.

**Please Note:** We have found it to be helpful when backpacks, coats, and lunch boxes are labeled with the child's first and last name. Thank you in advance for your support!
