

# Virtual Learning Support

## Getting a Library Card

Fill out an [application](#) online (click on "[Get a Library Card](#)") and submit it through email to receive a library barcode and password from the library. Your physical library card will be mailed home.

## Placing Holds Online

Request physical materials through the online catalog and pick them up at the library. Materials can be requested from libraries throughout MCLINC. Visit the [MCLINC catalog](#) to browse.

## Accessing Online Resources at Home

We have a robust collection of online resources that students and families can access at home including [Tutor.com](#), online language learning, research databases, test preparation and much more. Visit our [eLibrary](#) to learn more about these great resources.

## Accessing eBooks & eMedia

The library has a number of ways to access eBooks, eMagazines, downloadable music, movies, tv shows, and comics. Understand the [difference](#) between OverDrive and Hoopla. [OverDrive](#) can be accessed through an app or on your computer. Learn how easy [Hoopla](#) is to navigate and start exploring!

## Virtual Programming

The library will continue to offer virtual programming through the fall. Check our [online calendar](#) for upcoming programs and events that you can attend. Some are available for a specific date and time and others can be done on your own schedule.

## Reading Suggestions

Looking for something to read to relax and de-stress? Check out our extensive online [reading recommendations](#) for a fiction or nonfiction title to fit your needs.
