

Resources from the Upper Merion Township Library Supporting Academic Success

Tutor.com

Access the support of a free, online tutor for homework help and test preparation.

Online Resources

24/7 access to over 30 online databases for research and homework help.

Mobile Printing

Send a document to the printer from home, school or on the go. Just stop by the library to pick it up.

Expert Help

The staff is here to help you find the information and materials you need, just ask us.

Reading Recommendations

Looking for something to read to relax and de-stress? Ask for a recommendation for a fiction or nonfiction title to fit your needs.

Internet Access

Free Internet access is available at the library; bring your own device or use a public computer to complete your homework or browse the web.

Downloadable eBooks

Use the *OverDrive* and *Libby* apps to download books and audiobooks (plus you'll never have a late fee!)

Language Learning Resources

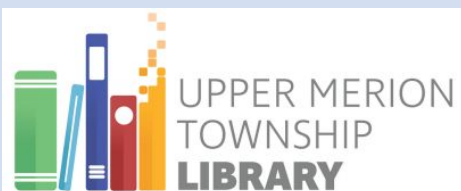

The library has a number of resources available for language learning - both for ELL and foreign languages.

Museum Passes

Borrow a museum pass from the library and check out the cultural resources available in the area - for FREE!

Programs

Early literacy programs for kindergarten readiness, hands-on interactive programs for school-age kids, test prep classes and practice SAT and ACT classes for teens - the library is full of learning all year long.
