

UPPER MERION AREA MIDDLE SCHOOL

Dear Parents and Students,

MATH CLUB by MathCounts is a national program for students in middle school (6th, 7th, and 8th grade) that gives students the opportunity to play fun math games, solve problems, and complete explorations in a non-competitive, social environment.

6th, 7th, and 8th grade students interested in **MATH CLUB** would be expected to participate in the afternoon work sessions:

- o Work sessions - Held typically 1-2 Tuesdays after school: 3:05 - 4:30

Work sessions will begin on October 18, 2022.

All sessions will be held in Mrs. Foraker's room.

Stay up to date on all MATH CLUB information on Schoology.

- o Students will be dismissed the way that is indicated on this form.
If they are going home a different way, a note or email must be sent in.

Dates of Math Club for the year: October 18, November 1 and 22, December 6 and 20

2023 dates will be posted in Schoology in December

Mrs. Foraker, Sponsor
nforaker@umasd.org

Please bring the completed form before or to the first work session.

I would like to join the MATH CLUB program.
